

RB-2701

Speakers Ceiling loudspeaker

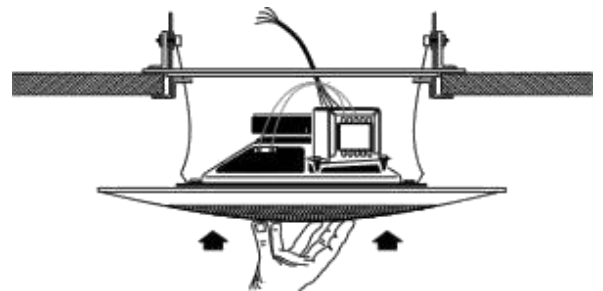

Made in
France

- Wide coverage
- High intelligibility
- Multipurpose and inconspicuous
- Easy and quick mounting

The **RB-2701** is a speaker fitted with tropicalized loudspeaker and metal grid. It offers excellent background sound qualities.

Its mounting device, carefully studied by our engineers, is suitable for any type of false-ceiling, ensures easy and reliable installation and allows quick and simple maintenance. It can then be used in any type of environment (including damp places).
